EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Emily Miao on January 21, 2004.

The application has been amended as follows:

- Please add "per day" after the term "8 mg/person/dose" in line 4 of claim 7.

The following is an examiner's statement of reasons for allowance:

The amendments submitted December 17, 2003 and the declaration under 37 CFR 1.132 received May 12, 2003 have been considered and are found persuasive to remove the outstanding rejection under 35 USC 103 in the previous office action since the claims are now limited to a specific orally administered dosage which is not taught or suggested by the cited prior art.

Claims 7, 8, 11-12, 17-18, and 21-30 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
